# Got Health?

*You're Invited!*

*~ 2014 Free Wellness Event ~*

## Speakers

*talking on various subjects of health and wellness!*

*Some of our Speakers will have sessions available during the day, some will have products for purchase. All of them will be have information and advice!*

- **Traditional Astrology** ~ Seeing your true nature through the planetary positions and how they affect your personality and disposition. Sirrium has been charting natal astrology for 50 years! She will give an informational talk on how planetary alignment can affect the magnetism of you. **Sessions available.**
- **Thermal Heat Imaging** ~ Gwen Foster will be giving an informational talk on this type of photography and its ability to show where the body needs healing. **Sessions available.**
- **Electro-Magnetic Frequencies** ~ Why are they dangerous and how can we protect ourselves and our children from them. Eric Kolesar will be presenting information on this topic. **Products available for purchase.**
- **Essential Oils and Metal Detoxification** ~ Tamara Kennedy explains the importance and the benefits of using essential oils for better health and restoration. **Products available for purchase.**
- **Frequency Balancing Machine (similar to Rife technology)** ~ Karen Szyminowski will present exciting new information on providing health and balancing sessions in your own home, or, with a facilitator. Balancing the cells by removing stress allows the body to be resistant to infection, illness and disease. **Sessions and product available.**
- **Drink Better Water! The pH affect** ~ Maria Boldry will demonstrate various water samples and explain why some waters are better than others. Informative talk on why better water is so important to health. **Products available for purchase.**
- **Body Lights (Body sculpting using light therapy)** ~ Carl Malone will be providing information on a new LED light therapy system that can assist in inch loss of between 1/2 inch and 2 inches in an hour! **Sessions not available the day of the event.**
- **Hormones!** ~ Jennifer Yates will be discussing the male and female hormone riddle and how our actions determine our hormonal output.
